Statement from Atlantic County Prosecutor Ted Housel regarding the investigation into the discovery of the bodies of Barbara Breidor, Tracy Ann Roberts, Kim Raffo, and Molly Jean Dilts, found in a drainage ditch behind a strip of motels in the West Atlantic City section of Egg Harbor Township.

This Office has received a number of inquiries with respect to the status of the homicide investigation of four women found in West Atlantic City in November 2006. Although this case is now approaching its second anniversary, it is an active investigation in this Office and we continue to expend both time and resources in its investigation. It is not considered a "cold" case and we are treating it with the level of importance that it deserves.
